52 autoimmune neuropsychiatric disorder associated with streptococcal
53 infections or pediatric acute neuropsychiatric syndrome and Autism;
54 and

55 (14) A social worker licensed and practicing in the state.

56 (c) A representative of the Department of Education Bureau of
57 Special Education shall be a member and the chairpersons of the joint
58 standing committee of the General Assembly having cognizance of
59 matters relating to public health, or the chairpersons' designees shall
60 be members of the task force.

61 (d) The Commissioner of Public Health, or the commissioner's
62 designee, shall be an ex-officio, nonvoting member of the task force
63 and shall attend all meetings of the advisory council.

64 (e) Any member of the task force appointed under subsection (c) of
65 this section may be a member of the General Assembly.

66 (f) All appointments to the advisory council shall be made not later
67 than thirty days after the effective date of this section.

68 (g) Members shall receive no compensation except for

69 reimbursement for necessary expenses incurred in performing their
70 duties.

71 (h) The Commissioner of Public Health shall schedule the first
72 meeting of the advisory council, which shall be held not later than
73 September 1, 2013. The members shall elect the chairperson of the
74 advisory council from among the members of the council. A majority
75 of the council members shall constitute a quorum. A majority vote of a
76 quorum shall be required for any official action of the advisory
77 council. The advisory council shall meet upon the call of the
78 chairperson or upon the request of a majority of council members.

79 (i) Not later than January 1, 2014, and annually thereafter, the
80 advisory council shall report, in accordance with the provisions of
81 section 11-4a of the general statutes, to the joint standing committee of
82 the General Assembly having cognizance of matters relating to public
83 health. Such report shall include, but need not be limited to,
84 recommendations concerning: (1) The publication of research and
85 informational materials concerning the cause, symptoms, diagnosis
86 and treatment of pediatric autoimmune neuropsychiatric disorder
87 associated with streptococcal infections and pediatric acute
88 neuropsychiatric syndrome on the Department of Public Health
89 Internet web site; (2) practice guidelines for the diagnosis and
90 treatment of said disorder and said syndrome; (3) mechanisms to
91 increase clinical awareness and education regarding said disorder and
92 said syndrome among physicians, including pediatricians, school-
93 based health centers and providers of mental health services; (4)
94 outreach to educators and parents to increase awareness of said
95 disorder and said syndrome; and (5) development of a network of
96 volunteer experts on the diagnosis and treatment of said disorder and
97 said syndrome to assist in education and outreach."

This act shall take effect as follows and shall amend the following sections:
